

Perform each of the following operations on the original order 3 B-tree above.

Insert (34);	Remove (6);	Remove (46);
Insert (50);	Remove (15);	Remove (22);
Insert (7);	Remove (30);	

Perform each of the following operations on the second order 3 B-tree above (but, again, each on the original tree, rather than on a solution tree).

Insert (24);	Remove (13);
Insert (35);	Remove (18);
Insert (11);	Remove (28);
